Sir:

In response to the Nonfinal Official Action mailed November 12, 2004, the following remarks are submitted.

Reconsideration and allowance of the above-referenced application are respectfully requested. Claims 1-26 are unchanged and remain pending in the application.

Applicant acknowledges with appreciation that the art rejections have been withdrawn.

Claims 1-26 stand rejected under the doctrine of obviousness-type double patenting in view of application 09/778,773, now U.S. Patent No. 6,738,781. A terminal disclaimer is concurrently submitted to overcome this rejection.

In view of the above, it is believed this application is in condition for allowance, and such a Notice is respectfully solicited.
